

SCHOOL OF DANCE DRESS CODE

Dance training clothes are meant to keep the body warm, allow free movement, as well as give the teacher the ability to see the placement of the student's limbs, muscle work, and proper positioning. Without this ability, the student will learn bad habits and patterns which could lead to injury. At the same time, clothes must not be distracting, immodest, nor hinder proper movement. If you have any questions about appropriate attire, please consult the School of Dance Director.

ALL CLASSES: Jewelry: No dangling earrings, piercings, rings, watches, bracelets, necklaces, or loose jewelry. Stud earrings are acceptable. **Cover-ups:** Students are to wear sweat pants or coverings when in the lobby or outside areas.
