TIME	CALLED	AGENDA	LOCATION
	Official Tech Week Schedule TBA		

- ❖ The **Rehearsal Schedule** is subject to change! Please check **Weekly Newsletter** for all scheduling updates. Full cast is not always called to every rehearsal, so please make sure to be aware of your child's role and when they are and are not called.
- ❖ All **excused absences** and **tardies** are listed under each date of rehearsal. If your child's name is not listed under those categories and they are called, they are expected to be at rehearsal that day. If your child's name is not listed under a date where it should be, and you have listed said conflict on the audition and conflict form, please do not hesitate to contact the Production Coordinator. We will make the necessary adjustments. If your child does not attend a rehearsal when they are called, and their name is not listed under excused absences or tardies, it is considered an **unexcused absence**, meaning that we cannot be held responsible for anything your child misses that day.
- ❖ If your child has a conflict listed on their audition and conflict form where they need to **leave rehearsal early**, it will not be acknowledged on this form. The Director and Production Coordinator have said conflicts listed on their conflict forms and acknowledge those as excused. If your child needs to leave rehearsal early and it is not listed on pre-existing forms, it is considered unexcused. Those must be communicated with the Production Coordinator.
