Please Note: There is a \$3/monthly transaction fee for processing *monthly* tuition for Dance and Theatre Classes via credit/debit card. To avoid this, we have the option of paying by e-check.

Please Note: We strive to make certain our parents stay informed. Our Primary Method of Communication is Email. During the year, we send out weekly email updates. During the tech week of a show, those updates are emailed daily. Frequently, we have performance information and updates on the Shows tab of our website. We also will post inclement weather closings and often show information on Facebook as well.

For Summer Camp tuition information, please scroll down BELOW the regular class tuition structure.

ANNIVERSARY REGISTRATION FEE

Each ADP, Art, Dance, Music, and Theater Family will be charged a \$25 anniversary fee. This fee is good for one year or until you drop out of the program.

Please Note: The anniversary fee does not apply to **camp** enrollments.

Storling Artist Development Training Program

Dates: Sept 4th to May 31st

Please note that ADP tuition is now charged per semester with the option of paying monthly with a convenience fee. All this information is in your ADP informational packets. To request to pay monthly, please contact accounts@culturehouse.com.

ART

At the time of a class pass purchase, a registration fee will be added. For established students, the anniversary fee is not charged unless exactly 12 months has passed.

Art classes work on a pass-schedule. This pass allows the student to attend 6 or 10 hours worth of classes (depending on which hour pass you purchase) within One Year. Each student will be working on their project, and there's no time limit on completion of the project. Some weeks, students will be drawing; some weeks, students will be painting; and other weeks, students will be doing both. This class is for beginning and advanced artists. We focus on the needs and interests of each student, helping them enhance their individual skills making complete projects more dynamic.

The student can attend one day a week, two days a week, or once a month. They are welcome to stay at each class for an hour, or they can stay for two or three hours that evening if that's what you choose to do. Once they use up their 6 or 10 hour pass, they simply purchase a new pass. Once a student is enrolled in the system, you will need to call or stop at the front desk to purchase additional passes.

Passes expire one year from the date of purchase. There are no refunds for art class passes. We can pro-rate class passes at the end of a semester.

Summer art classes have a different schedule from spring and fall and will be posted closer to summer. These are usually only one night a week.

MESSAGES AND NOTICES

It is the responsibility of the parent or adult student to be aware of activities such as productions and dates the school is open and closed. Notices will be posted at www.culturehouse.com as well as via weekly email updates. It is the parent's responsibility to regularly check to ensure they are informed.

CARE OF STUDENTS

The Culture House is not responsible for providing before or after class care for students. Parents with students under the age of 7 are asked to remain in the building during **classes**. Students should not be left at The Culture House for an excessive time before or after lessons. Children under 7 should be accompanied by an adult at all times. Small children should be taken to the bathroom prior to class to help minimize frequent "potty breaks". In interest of the children's safety, students arriving more than 15 minutes late into a class will observe only. If you are running late, please call the studio as soon as possible. This will ease the child's nerves as well as allow us to make special arrangements as needed.

ARRIVAL AND PICKUP

Be sure your student arrives 5 minutes before (no earlier please) his/her scheduled class time. Please pick up your student on time. Please inform us if you know you will be late picking up your student. Instruct your student to wait inside the building, and you should escort them from the

building to your car. During peak times, the parking lot is crowded. Please take into consideration that our students may include young children. Please drive slowly and carefully. Do not take a chance on your student running to and from your car. If your student is old enough, and you are picking them up in the circle drive, please do not wait for longer than two minutes for your student to exit the building. Please circle back around.

CODE OF CONDUCT

Students and parents will dress and conduct themselves in an appropriate manner while at The Culture House. We will teach each student to work hard and seek to encourage each other. Politeness and generosity are highly valued. Proper respect for the staff and fellow students is expected of all students, parents, and siblings. Every student and parent/guardian should behave in a disciplined, responsible manner both on and off site.

The Culture House reserves the right to suspend or dismiss any student or parent/guardian whose attitude, attendance, or conduct is found to be unsatisfactory. Any student or parent/guardian who disrupts class or approaches a teacher, staff member, another student or parent/guardian with the intent to disrupt, cause dissent, or contravene the policies and procedures of The Culture House will be dismissed immediately. Parents wishing to speak to an instructor must first make an appointment with the Director of the School.

DISCIPLINE POLICY

The Culture House strives to offer a place of fun and learning in a minimally restrictive environment. However, if disciplinary action is required, the following steps will be followed:

1. The instructor will talk to their student about the behavior.
2. The parent/guardian will be called about the student's behavior. A meeting between the parent, child, teacher, and School Director may be called.
3. The Director of the School will contact the parent/guardian informing them of the student's continued behavioral problems. The student will be suspended from class for one week. The Executive Director will be notified.
4. The Executive Director will notify the parents of the infraction and that the student will be expelled from classes for the remainder of the school year.

Depending on the severity of the infraction, The Culture House reserves the right to accelerate this process and expel the student without intermediary steps. Should a student be expelled, the student is welcome to re-enroll during the next term. However, if disciplinary problems continue, the student will be permanently expelled and not allowed to re-enroll in the future.
